Applying for School Year: 201__ – 201__

To the U of N Department/School Leader

The above named family have applied to become a part of Wai'aha International Family School, a school model where parents are actively involved in teaching in the classroom, aimed at equipping them to be more mobile in their missions calling.

Parents are asked to be involved for four hours a week (+2 hours for each extra child). These hours are considered part of their U of N staff commitment. This time can be covered by one of the parents or shared by both. Parents are asked to discuss this with their leaders. As much as possible the timing of the teaching hours will be planned in communication with you.

As a school we want to know that you, as their leader are aware of the commitment this family is making and are happy to release them to be involved in the classroom.

I am aware that the family above will be involved in Wai'aha International Family School on the U of N Kona Campus and release them to fulfill their commitment to teaching/assisting.
